

Dear Family,

Thank you for considering us as you navigate what can be a difficult and emotional time. We want you to know how deeply honoured we would be to walk alongside you and offer our support.

Planning a funeral can feel overwhelming. Our role is to make this process as gentle, clear and unpressured as possible — guiding you with care, professionalism and respect at every step. As you review the enclosed information, there is one important thing we'd like you to know about Compassionate Funerals Qld.

We are a not-for-profit funeral service.

That means we are not driven by sales targets or shareholders. Every decision we make is guided by what feels right for each individual family — not by profit.

Since 1997, the families we have served have helped us distribute more than **\$7.1 million** to humanitarian, community and mission-based charities across Australia and beyond. Each funeral entrusted to us creates a change that extends far beyond the service itself.

In honour of your loved one, a contribution is made — on your behalf — to one of our approved charities. Many families find comfort in knowing that their farewell not only honours a life but also helps others in meaningful and lasting ways.

If you have any questions, or would simply like to talk things through, we are here for you. It would be our privilege to walk alongside you.

With care,

The Compassionate Funerals Team
